

**MIR3 Customers Form Intelligent Notification User Group
and Elect User Group Board of Directors**

***Meetings to provide thought-leadership, best practices,
establish future solutions and development priorities***

San Diego – June 7, 2006 - MIR3™, the technology leader in automated solutions for Enterprise-Level Notification Systems (ELNS) and business continuity emergency notification services, is pleased to announce today that its users have formed the MIR3 Intelligent Notification™ User Group. The inaugural meeting was concluded June 1st, 2006, and culminated with the election of the MIR3 User Group Board of Directors.

“This is a significant step in MIR3’s history as a customer focused company. We are looking forward to the feedback from our clients, as it will help to drive the path of our products and services,” said David Leibow, MIR3 executive vice president, global operations. “MIR3 is proud of our technology, the growing list of customers and the impressive set of people and companies that make up the foundational User Group and its Board of Directors.”

“It is important to note that the MIR3’s user group charter is not only to give development direction for products and services, but to drive the tremendous amount of information for best practices around notifications into the enterprise for both critical and non-critical events. We want to totally support that knowledge- sharing process as the thought leader in the industry.”

He continued, “I would like to recognize the commitment and leadership exhibited by the Board Members. MIR3 is privileged to have such customers and direction.” According to Leibow, “While the User Group Board of Directors was

established with the Company's help, the Group and future meetings will operate independently, backed with MIR3's continued support.

The MIR3 board of directors members are as follows:

- Chair – John Cimino, Allstate Insurance
- Vice Chair – Betty Chiao, AllianceBernstein
- Program Director – Terri Edwards, ADP
- Director of Information – Victor Vela, Charles Schwab & Co.
- Director of Membership – Vicki Bowman, County of Orange – Calif.

About MIR3, Inc.

MIR3 is the technology leader in automated notification solutions for enterprise-wide communications and business continuity. MIR3's inWebServices™, inGovAlert™, inEnterprise™, inAlertCenter™ and inTechCenter™ are based on a versatile, rules-based notification platform that streamlines the dissemination of time-urgent information to and from any communications device.
